Description Summary

The AmeriList New Beginnings Child Care database consists of only the most successful child care facilities in America. These facilities conform to strict policies imposed by state regulatory agencies to insure they offer the best care to their customers. These child care facilities spend large sums of money on a monthly basis for supplies, maintenance, insurance and more in order to guarantee the safety of the children and to give the parents peace of mind.

How Our Data is Compiled

Our multi-sourced business database combines a wide range of sources to deliver an industry leading B2B master file. Our business database is collocated from multiple sources including State Bar Associations, State Lawyer's Licensing Boards, Yellow Pages, Government Data, White Pages, SEC Filings, Annual Reports, Business Magazines and Industry Newspapers.

Consider the Facts

- The median annual salary for a child care worker was \$19,430
- It costs an average family \$17,610 a year to place an infant in a licensed center on a full-time basis
- More than half of all infants and toddlers are in child care
- Families spend an average of 22.8% of their annual income on child care.

Recommended Usage

Our New Beginnings Child Care database is excellent for any campaign dealing with art supply stores, children's books, wholesale food suppliers, children's apparel companies, or other small business needs like office supplies, insurance, business credit and accounting or technology services.
