**Total Universe: 5,200,000**

**Base Rate: \$85.00/M**

## Description Summary

America's high schools will welcome back a record number of students this fall, as our population increases and enrollment rates continue to grow. With the AmeriList High School Students Mailing List, you'll have access to five million American high school students and their parents. This key demographic is looking for private schools, scholarships, electronics, and much more. Our database is also ideal for Colleges and Universities looking to connect with potential new students. Ace your next direct marketing campaign by teaming up with AmeriList! Put Americas best High School Students Mailing List to work for you.

## How Our Data is Compiled

This exclusive database is sourced from direct responses and internet surveys filled out by students and/or their parents/guardians.

## Consider the Facts

- 3.3 million students are expected to graduate from high school in 2015
- 68.2% of high school graduates enroll in college immediately following graduating
- 96% of high school students utilize social media on a daily basis for more than 2 hours at a time
- 41% of teens participate in Black Friday shopping
- 37% of high school students go shopping two or more times per month

## Recommended Usage

Our High School Students Database is the ideal solution for Class Ring offers, Test-prep offers, College & University Advertisements, Trade School Advertisements, Student Loan offers, Scholarship offers, Credit Card offers, Electronic offers, Cell Phone offers, Automotive offers, School Supplies, Study Aids, and many more.
