Description Summary

If you're in the business of providing solutions such as merchant services, legal services, banking, marketing, signs, printing, tech support or accounting, we can help you market to businesses as soon as they open their doors. There is no better time to reach a potential client than when their business solution needs are at an apex!

Over 60,000 new businesses open their doors each month in the US. When you utilize the AmeriList Weekly New Business Master File, you'll gain access to these new business owners that are eager to form lasting relationships with an array of vendors who can save them money, energy and precious time.

How our Data is Compiled

Our compilation consists of a multitude of sources including: telephone new connection records, government data and department of state incorporation filings. Our data compilers make millions of phone calls to ensure that each record on our database is accurate and reliable.

Consider the Facts

- Over 60,000 new businesses open every month.
- Over 19,000 new businesses open each week.
- The small business sector is growing rapidly.
- The number of small businesses in the United States has increased 49% since 1982.

Recommended Usage

Our U.S. Weekly New Business Database is the ideal solution for insurance agencies, uniform manufacturers, security professionals, accounting professionals, investment bankers, tech support, trade magazines and many more!

We've helped thousands of companies connect with new business owners, now it's your turn to see what AmeriList can do for you! We've helped: Dell, American Express, Stamps.com, National Pen, Pet Edge, Time, Inc., Charter, Comcast, Merit, Allant, Square Up
